

ALL INCLUSIVE SERVICE CONDITIONS

With the all-inclusive (AI) bracelet for adults and for children, guests who acquire the AI service package will have access during their stay to the following advantages, between 7:30 in the morning and until 23:30hrs, according to the opening hours established for each one of the restaurants and bars available at the resort:

- ✓ Main meals: breakfast, lunch and dinner served at any of our buffet restaurants at the guest's choice. A selection of beverages composed of mineral waters, soft drinks, national beer, and wine is included during these meals.
- ✓ A wide variety of beverages and snacks available at the bars of the resort (check the menus for each bar)
- ✓ All Inclusive Schedules: start at 15hrs on the day of entry and end 12hrs on the day of departure.
- ✓ **Due to the new regulations, some services or schedules could be modified by the hotel management without prior notice.**

Beverage service outside the main restaurants

Upon arrival at the resort, the guest will be given a card redeemable for a drink consumption. The guest can exchange the empty glass for a new drink, or for a consumption card that can be redeemed again at any of the resort's bars.

In case of loss of the card or glass, the guest must pay the amount of 2€ to recover the glass or card to be able to consume again.

This policy responds to the commitment of Guitart Hotels to minimise the use of non-reusable plastics and encourage responsible consumption.

RESTORATION POINTS

The following restaurants and bars are at the disposal of the client, and their opening hours can be adjusted according to the needs of the hotel and seasonal requirements:
